Antiguan government, the tourist industry and Antigua's British colonial legacy. The book, written in four sections, "combines social and cultural critique with autobiography and a history of imperialism to offer a powerful portrait of colonial Antigua."

[A Small Place - Wikipedia](#)

A Small Place is divided into four loosely structured, untitled sections. The first section begins with Kincaid's narration of the reader's experiences and thoughts as a hypothetical tourist in Antigua. The reader, through Kincaid's description, witnesses the great natural beauty of the island, while being sheltered from the harsher realities of the lives of those who must live there.

A Small Place: Important Quotations Explained | SparkNotes

In her book *A Small Place* the author Jamaica Kincaid reflects on the debilitating impacts of colonialism and slavery on her people, Antiguans. The narrator does not tell her audience, which are tourists, about the beauty of Antigua, the warm and beautiful weather of the country, or the magnificent even about beaches.

Amazon.com: A Small Place eBook: Kincaid, Jamaica: Kindle ...

A Small Place The Ugliness of Tourism For Kincaid, tourists are morally ugly, though in her description of fat, “pastrylike-fleshed” people on the beach, she shows that physical ugliness is part of tourism as well. The moral ugliness of tourism is inherent in the way tourists make use of other, usually much poorer, people for their pleasure.

A Small Place: Themes | SparkNotes

Jamaica Kincaid, original name Elaine Potter Richardson, (born May 25, 1949, St. John's, Antigua), Caribbean American writer whose essays, stories, and novels are evocative portrayals of family relationships and her native Antigua.

Jamaica Kincaid | Caribbean American author | Britannica

Jamaica Kincaid is an Antiguan-American novelist, who was born in Antigua. That is why, it is quite logic that she devotes her works to this small state. In the work *A small Place* she makes an attempt to analyze and underline great influence of the colonial epoch on the current life of the country.

The author of such books as *At the Bottom of the River* and *My Brother* returns to Antigua, the ten-by-twelve mile Caribbean island where she grew up, to explore the effects of colonialism. Reprint.

A brilliant look at colonialism and its effects in Antigua--by the author of *Annie John* "If you go to Antigua as a tourist, this is what you will see. If you come by aeroplane, you will land at the V. C. Bird International Airport. Vere Cornwall (V. C.) Bird is the Prime Minister of Antigua. You may be the sort of tourist who would wonder why a Prime Minister would want an airport named after him--why not a school, why not a hospital, why not some great public monument. You are a tourist and you have not yet seen . . ." So begins Jamaica Kincaid's expansive essay, which shows us what we have not yet seen of the ten-by-twelve-mile island in the British West Indies where she grew up. Lyrical, sardonic, and forthright by turns, in a Swiftian mode, *A Small Place* cannot help but amplify our vision of one small place and all that it signifies.

Antigua--a ten-by-twelve-mile island in the British West Indies and the author's birthplace--is the setting of a lyrical, sardonic, and forthright essay that offers an insider's eye-opening view of the lives and ways of her people

Lucy, a teenage girl from the West Indies, comes to America to work as an au pair for a wealthy couple.

Read PDF A Small Place Jamaica Kincaid

She begins to notice cracks in their beautiful façade at the same time that the mysteries of own sexuality begin to unravel. Jamaica Kincaid has created a startling new heroine who is destined to win a place of honor in contemporary fiction.

The theme of lost childhood remains constant in this short fictional narrative of rebellious Annie John's coming of age on the small island of Antigua

A seventy-year-old West Indian woman looks back over the course of her life and examines the relationships that have given meaning to her existence

In this travel memoir, the acclaimed novelist Jamaica Kincaid chronicles a three-week trek through Nepal, the spectacular and exotic Himalayan land, where she and her companions are gathering seeds for planting at home. The natural world and, in particular, plants and gardening are central to Kincaid's work; in addition to such novels as *Annie John* and *Lucy*, Kincaid is the author of *My Garden (Book)*: a collection of essays about her love of cultivating plants and gardens throughout her life. *Among Flowers* intertwines meditations on nature and stunning descriptions of the Himalayan landscape with observations on the ironies, difficulties, and dangers of this magnificent journey. For Kincaid and three botanist friends, Nepal is a paradise, a place where a single day's hike can traverse climate zones, from subtropical to alpine, encompassing flora suitable for growing at their homes, from Wales to Vermont. Yet as she makes clear, there is far more to this foreign world than rhododendrons that grow thirty feet high. Danger, too, is a constant companion—and the leeches are the least of the worries. Unpredictable Maoist guerillas live in these perilous mountains, and when they do appear—as they do

Read PDF A Small Place Jamaica Kincaid

more than once—their enigmatic presence lingers long after they have melted back into the landscape. And Kincaid, who writes of the looming, lasting effects of colonialism in her works, necessarily explores the irony of her status as memsahib with Sherpas and bearers. A wonderful blend of introspective insight and beautifully rendered description, *Among Flowers* is a vivid, engrossing, and characteristically frank memoir from one of our most striking voices.

Finally back in print, a frighteningly lucid feminist horror story about marriage *The Dry Heart* begins and ends with the matter-of-fact pronouncement, “ I shot him between the eyes. ” Everything in between is a plunge into the chilly waters of loneliness, desperation, and bitterness—and as the tale proceeds, the narrator ’ s murder of her flighty husband takes on a certain logical inevitability. In this powerful novella, Natalia Ginzburg ’ s writing is white-hot, fueled by rage, stripped of any preciousness or sentimentality; she transforms an ordinary dull marriage into a rich psychological thriller that might pose the question: why don ’ t more wives kill their husbands?

Seminar paper from the year 2005 in the subject American Studies - Literature, grade: 2,0, University of Hamburg (Insitut fur Anglistik und Amerikanistik), course: "I Could Tell You Stories" American Autobiography 1960 to the Present, 25 entries in the bibliography, language: English, abstract: Literature on the Caribbean, as Caribbean historiography, has been shaped by white, rich and powerful men: it mostly told the story of someone who had all means - economical, political and cultural, so basically all resources denied to the subaltern - to retell the tale in his favor. Jamaica Kincaid's *A Small Place* provides a deeply satisfying response to until-then existing chauvinist, Eurocentric and often-times racist representations of Antigua and its people. The book describes Kincaid's native Antigua with highly

Read PDF A Small Place Jamaica Kincaid

critical perspectives on its colonial history, on its exploitation by the British, on its corruption after independence, and on the continuing exploitation through tourism today. The book, which made Kincaid persona non grata on Antigua for years after it was first published, is not afraid to attack all of those whom the "I"-narrator considers responsible for the deplorable state of affairs, both in the past and the present. A Small Place consists of four parts, in which the narrative 'I,' a native of Antigua with a biography very similar to Kincaid's own, introduces the reader to the island. The first part concentrates on tourism, which is seen as a prolongation of colonialism, with the tourists merely replacing the British colonial power. The second part explores the island's colonial past, slavery, memories of the narrator's childhood under English rule, and the effects of colonial history still visible in Antigua today. Part three denounces the political corruption of the post-independence Antiguan government, and part four analyses the effects of colonialism on the minds of people who have come to believe they are living on the periphery of history.
