hear a portion of the audiobook plus extensive phone interviews with the subjects. All books are written on inmates, by inmates. Welcome to BOOK SIX of the MY CRIME SERIES: THE STORY OF LIL ANT & O.G. ROY: Five attempted murders is not an accusation too often heard and premeditated murder is a phrase that chills the spine. Prepare yourself for a journey into the lives of two men, convicted of these very crimes. By age 18, both Anthony Torres and Roy Brown were hard set on crime. For boys who embrace exploiting others and feeding oneself first, crime is the greatest thrill and paycheck. The difficulty in blaming both these boys, now men locked-up, is that the advertisement for the criminal lifestyle was not seen like a passing highway billboard, but as a friendly neighbor, or an urging father. The role of nurture in shaping criminal disposition strongly makes a case in both stories; nevertheless, the free choice to pursue crime stands equally strong. THE STORY OF LIL ANT & O.G. ROY asks you to decide how boys become bad. Thank you for taking time out of your day to read and learn about THE STORY OF LIL ANT & O.G. ROY and the MY CRIME SERIES Content Includes: Family Life - Neighborhood Life - Drug Use - Adult Incarceration - Drug Dealing - Burglary - Property Theft - California Culture - Youth/Adult Sexuality - Church/Religion - Murder ADDITIONAL BOOKS BY TIO MACDONALD: SPINNERS STORY, HOLLER AT YOUR GIRL, HOOD TO HEELS, MOUTHPIECE, 38 YEARS LATER & The First Offense: Five True Crime Stories from California Inmates Follow to prison a pimp, a transgender prostitute, a methamphetamine cook, an L.A. gangbanger, and the criminally minded boy next door. Place yourself in the debate as to whether nature versus nurture causes crime while you gain an understanding of the life circumstances, pressures, and motivations that compel unlawful conduct. With a better understanding of the criminally minded, create a justice system that better represents your

values as a citizen. All stories enclosed are true as dictated by each subject to an inmate writer. Go to WWW.CRIMEBIOS.COM to hear extensive phone interviews with the subjects.

This is an alphabet book with a humorous, whimsical plot. It is a story of three unlikely characters who travel around the world together, making friends and having fun. They survive by extraordinary means. The readers imagination is called into play. Look Down the Street is a special story in poetry for city children. Hercules Becomes a Hero and Homer Becomes a Hero are dog stories. The Barber of Seville, Marriage of Figaro, and Carmen are opera stories used by the education departments of several opera companies.

This story illustrates the powerful impact of teaching kindness to young children, by starting with the most vulnerable of insects, a tiny ant. The effects, however, are enormous! Moo Moo's examples of kindness and compassion are silly, exaggerated and honest. This is a tale with a constructive message that children will love to read again and again and they will fall in love with Moo Moo, the "values" dog. She is a gentle giant and a bundle of cuteness!

Ant (short for Antonia) is sure she is adopted. She doesn't look anything like her mother or her sisters - or even her dad (who is away working too much). Ant's best friend is a boy called Harrison who draws chickens, and her dog Pistachio, a tiny ageing chihuahua, is her constant companion, but she feels that she just doesn't fit in. Ant's life meanders along until one day

Read Online Ant A Og

her lying starts to cause her, and those around her, some rather serious problems. Forced to face up to some of the things she has spent her life trying to hide from, in particular Ant has to come to terms with why she doesn't get on with her mother. An uplifting, exciting and truly original story.

"A history of the first military working dog in the Royal Air Force"--

This book constitutes the refereed proceedings of the 5th International Workshop on Ant Colony Optimization and Swarm Intelligence, ANTS 2006, held in Brussels, Belgium, in September 2006. The 27 revised full papers, 23 revised short papers, and 12 extended abstracts presented were carefully reviewed and selected from 115 submissions.
