SEPTEMBER WRAP UP (the weirdest reading experience with a most anticipated book) [CC]Ariel Steven R Boyett

ARIEL by steven r boyett It's been five years since the Change. Five years since the lights went out, cars stopped in the streets, and mythical creatures began roaming the nearly deserted towns and cities of Earth. Participate, create, and share in the world of ARIEL and the Change beyond the border of the printed page.

*ARIEL by steven r boyett*

Ariel by Steven Boyett Sometime in the past - before 9/11/01 - the world changed. Magic appeared in the world; guns and internal combustion engines stopped working. Life in the post-Change world is nasty, brutal and short. Pete has been wandering since the world changed. The one thing that made life livable for him was meeting Ariel, a unicorn.

*ELEGY BEACH by steven r boyett*

Boyett sold his first novel, *Ariel*, at the age of 21, and went on to publish *The Architect of Sleep*, *The Gnole* (with illustrator Alan Aldridge), *Elegy Beach*, a sequel to *Ariel*, and many short stories and novellas. He has written *Ren* and *Stimp*y comics for Marvel and wrote the (uncredited) second draft of *Toy Story 2*.

*Steve Boyett - Wikipedia*

Steven R. Boyett was born in Atlanta, Georgia, grew up all over Florida, and attended the University of Tampa on a writing scholarship before quitting to write his first novel, *Ariel*, when he was nineteen.

He nursed her to health and named her *Ariel*, and one of the most unique friendships in fantasy literature was born. Snarky, haughty, foul-mouthed, *Ariel* acts against type every chance she gets. But her horn is a rare and powerful commodity in this changed world, and soon *Ariel* and *Pete* find themselves on a road trip to the ruins of Manhattan to make a stand against the dark magician who would tear it from her.

*Published Works - Steven R Boyett*

A necromancer is beginning to create a power base in New York, and *Ariel* and *Pete* are right in the center of an assault on the Empire State Building. This is a fun well-written book. It is more amazing for the fact that it was written by Steven R. Boyett when he was twenty.
