KINDLE Bloodlines Bloodlines 1 Author Lindsay Anne Kendal – Smallbizmarketingwiki.co.uk Keira Jameson used to lead a normal life she just had a gift passed down through the generations of her family Now after hearing voices having strange dreams of others calling out to her and her grandKeira Jameson used to lead a normal life she just had a gift passed down through the generations of her ...

Keira and her friends continue to try to understand their elemental powers and protect themselves from their enemies, whose ultimate goal is to destroy them.

John Woods, vestryman at Trinity Episcopal Church in Naughton, Virginia, narrates this tale of the events that shocked the church's aristocratic membership in the late 1950's. New pastor Thomas Lewis Buckford and parishioner Elizaeth McEwen, both married and both in a spiritual downspin, fall in love and have an affair that goes beyond the bounds of a physical relationship.

OTOLI ¿ Have you been there?Social outcast ALICE TURNER went there to escape the constant bullying from the Populars. She is befriended by Jenny; an enigmatic waitress who seems to be stuck in the past.As the Populars begin to reap the wrath of a faithful friend, suspicions build in Alice's mind. Why does Jenny keep mementoes that are four years old? And why does Alice feel that she is to blame for the downfall of her enemies?But friendship is a two-way deal as Alice soon discovers. After breaking her promise to Jenny, she faces a far worse foe than before. Alice is forced to make choices on which her future and that of others will depend; whether or not she knows it. Moreover, she will have to find courage to escape the ultimate bully ¿ her best friend.

Leticia has a dark secret, and somebody somewhere knows what it is. After being tormented and brutally attacked, it becomes obvious they want her dead. A mysterious group come to her aid. They want to fight by her side and help her win the war someone has declared on her. Together, they present a force to be reckoned with. Love, loss and longing put strains on the alliance. Not only must they fight their enemies, but their own fears and desires. Leticia must also face a harsh reality. If she wants a happy future, she must first confront her past.

Only two weeks ago, life was all too predictable. But that was before I saw my first ghost. Now along with my supernatural friends Tori, Derek, and Simon, I'm on the run from the Edison Group, which genetically altered us as part of their sinister experiment. We're hiding in a safe house that might not be as safe as it seems. We'll be gone soon anyway, back to rescue those we'd left behind and take out the Edison Group . . . or so we hope.

The undead can really screw up your senior year . . . Marrying a vampire definitely doesn't fit into Jessica Packwood's senior year "get-a-life" plan. But then a bizarre (and incredibly hot) new exchange student named Lucius Vladescu shows up, claiming that Jessica is a Romanian vampire princess by birth—and he's her long-lost fiancé. Armed with newfound confidence and a copy of Growing Up Undead: A Teen Vampire's Guide to Dating, Health, and Emotions, Jessica makes a dramatic transition from average American teenager to glam European vampire princess. But when a devious cheerleader sets her sights on Lucius, Jess finds herself fighting to win back her wayward prince, stop a global vampire war—and save Lucius's soul from eternal destruction

No one wanted Ai Ling. And deep down she is relieved—despite the dishonor she has brought upon her family—to be unbetrothed and free, not some stranger's subservient bride banished to the inner quarters. But now, something is after her. Something terrifying—a force she cannot comprehend. And as pieces of the puzzle start to fit together, Ai Ling begins to understand that her journey to the Palace of Fragrant Dreams isn't only a quest to find her beloved father but a venture with stakes larger than she could have imagined. Bravery, intelligence, the will to fight and fight hard . . . she will need all of these things. Just as she will need the new and mysterious power growing within her. She will also need help. It is Chen Yong who finds her partly submerged and barely breathing at the edge of a deep lake. There is something of unspeakable evil trying to drag her under. On a quest of his own, Chen Yong offers that help . . . and perhaps more.
