Handbook concisely presents extensive, clinically relevant information. It is divided into sections: alphabetized table of contents, health maintenance schedules, algorithmic flowcharts for diagnosis and treatment, and summaries for over 900 conditions. Summaries comprise basics, diagnosis, treatment, ongoing care (including complications and patient education), references, readings, codes and clinical pearls.

The 5-Minute Clinical Consult, 2011 provides rapid-access information on the diagnosis, treatment, and follow-up of over 900 medical conditions. This best-selling clinical content is accessible online with the enhanced, quarterly-updated site or on your mobile device, to ensure instant point-of-care access to information in whichever format best suits your needs. The content has been updated to include 20 new topics, more evidence-based medicine ratings, expanded clinical pearls and patient education sections, additional complementary and alternative medicine material, and updated ICD-9 codes highlighted within the text. The online content has been enhanced and now contains a better and faster search functionality providing answers in 30 seconds or less. It continues to have fully searchable content of the book with links to PubMed, plus additional topics not covered in the print book. The online content also has over 1,000 English and Spanish patient handouts from AAFP; full-color images; videos of medical procedures and physical therapy; a new dermatology library; drug databases from Facts & Comparisons including monographs, images, interactions and updates; and laboratory information from the new edition of Wallach's Interpretation of Diagnostic Tests. This content is updated quarterly with new topics, medical procedure videos, more diagnostic images, drugs, and more. You can access all your 5-Minute Consult content using any web enabled mobile device, including Blackberry, Windows Mobile, Android, Palm, Windows PC, iPhone, or iPod Touch.
