A top options trader details a practical approach for pricing and trading options in any market condition The options market is always changing, and in order to keep up with it you need the greeks—delta, gamma, theta, vega, and rho—which are the best techniques for valuing options and executing trades regardless of market conditions. In the Second Edition of Trading Options Greeks, veteran options trader Dan Pasarelli puts these tools in perspective by offering fresh insights on option trading and valuation. An essential guide for both professional and aspiring traders, this book explains the greeks in a straightforward and accessible style. It skillfully shows how they can be used to facilitate trading strategies that seek to profit from volatility, time decay, or changes in interest rates. Along the way, it makes use of new charts and examples, and discusses how the proper application of the greeks can lead to more accurate pricing and trading as well as alert you to a range of other opportunities. Completely updated with new material information on spreads, put-call parity and synthetic options, trading volatility, and advanced option trading is also included Explores how to exploit the dynamics of option pricing to improve your trading Having a comprehensive understanding of the greeks is essential to long-term options trading success. Trading Options Greeks, Second Edition shows you how to use the greeks to find better trades, effectively manage them, and ultimately, become more profitable.

With the first centerfold image of the radiant Marilyn Monroe, Hugh M. Hefner masterminded a cultural icon: Playboy's Playmate of the Month. This voluptuous new edition celebrates every nude centerfold from every issue of *Playboy*, from 1953 to February 2016. Initially published a decade ago, and now comprehensively updated, this must-have edition boasts 734 nude centerfolds and decade openers from literary luminaries, including an all-new essay by Elizabeth Wurtzel on the last decade of centerfolds, and a redesigned package that perfectly captures the complete cultural and aesthetic arc of the Playboy centerfold.

* Half a century after Revolver exploded onto the pop scene, the artist behind the album cover presents his side of the Beatles' story* The narrative is presented through a striking mixture of words and black-and-white graphics"...It is good for me to see the other side of a story I know so well and to realize aspects like the sheer panic that Klaus must have felt." (Paul McCartney)The monochrome pop-art style of the Revolver album has become an integral part of the Beatles brand. In this book the artist behind the cover reveals the source of his inspiration, as well as the tale of how this cover grew from a sketch made on a kitchen table in an attic flat into one of the most iconic pieces of cover art in history.

In *Socialism of Fools*, Michele Battini focuses on the critical moment during the Enlightenment in which anti-Jewish stereotypes morphed into a sophisticated, modern social anti-Semitism. He recovers the potent anti-Jewish, anticapitalist propaganda that cemented the idea of a Jewish conspiracy in the European mind and connects it to the atrocities that characterized the Jewish experience in the nineteenth and twentieth centuries. Beginning in the eighteenth century, counter-Enlightenment intellectuals and intransigent Catholic writers singled out Jews for conspiring to exploit self-sustaining markets and the liberal state. These ideas spread among socialist and labor movements in the nineteenth century and intensified during the Long Depression of the 1870s. Anti-Jewish anticapitalism then migrated to the Habsburg Empire with the Christian Social Party; to Germany with the Anti-Semitic Leagues; to France with the nationalist movements; and to Italy, where Revolutionary Syndicalists made anti-Jewish anticapitalism the basis of an alliance with the nationalists. Exemplified best in the Protocols of the Elders of Zion, the infamous document that "leaked" Jewish plans to conquer the world, the Jewish-conspiracy myth inverts reality and creates a perverse relationship to historical and judicial truth. Isolating the intellectual roots of this phenomenon and its contemporary resonances, Battini shows us why, so many decades after the Holocaust, Jewish people continue to be a powerful political target.

THE BASIS FOR STEVE MCQUEEN'S UPCOMING MAJOR MOTION PICTURE, WIDOWS IS A FAST-PACED HEIST THRILLER WITH AN ALL FEMALE CAST YOU WON'T FORGET. Before PRIME SUSPECT there was WIDOWS . . . Facing life alone, they turned to crime together. Dolly Rawlins, Linda Pirelli and Shirley Miller are left devastated when their husbands are killed in a security van heist that goes disastrously wrong. When Dolly discovers her husband Harry's bank deposit box, containing a gun, money - and detailed plans for the hijack - she realizes that she only has three options: 1. Give up and forget she ever found them; 2. Hand over Harry's ledgers to the police, or to the thugs that have been hassling her for information they think she has; 3. She and the other widows could carry out the robbery themselves Novices in the craft of crime, the three women make their preparations. Along the way they discover that Harry's plan required four people, not three. But only three bodies were discovered in the carnage of the original hijack - so who was the fourth man, and where is he now? Recruiting hooker Bella O'Reilly as their fourth, the widows are determined to execute their plan. Facing mounting pressure from DI Resnick, and local thugs Arnie and Tony Fisher, can they stick together and finish the job their husbands started . . .

Sometimes it feels like life's falling apart at the seams. Sometimes you're completely worn out by stresses that never seem to end. For every woman who has been disappointed, who has watched a dream die, whose life isn't what she imagined it would be, bestselling author Holley Gerth has a heartfelt message of hope—you really are going to be okay. And it is possible to live with joy, resilience, and strength in both the good times and the bad. In fact, she says, that's what God desires for us. With her trademark positive encouragement and probing questions for self-reflection, Holley encourages women to spend less of their lives regretting and more of their lives truly living. She shows them how to guard their hearts against despair and look to the future with confidence, remembering that they are part of a greater plan and nothing can stop God's purposes for them.

This book features the history and conservation efforts on 21 identified places on Martha's Vineyard. A map, photos and paintings of these areas accompanies the writings of Tess Bramhall. The book is a journey around the Vineyard intended to inspire conservation and enjoyment.

All 26 episodes of the Kake comic serial have been collected in one volume—a reflection of a time when gay men were men, sex was carefree, and everyone wore a big, thick, mustache.
