I shouldn't have stolen that girl. And I sure as hell shouldn't have fallen for her. Charlie Hays knows two things: how to steal, and the red-the rage that keeps him going. In Wanted when a last minute heist goes bad, he kidnaps the only witness, Addie Battes. But just when everyone begins to think he has gone and made the biggest mistake of his criminal career Charlie wonders if he hasn't made the best one. Every love story has two sides...

On the way to investigate a fugitive sighting, 21-year-old news intern Aubrey Kent is injured when an unexpected storm destroys the newscopter—along with the rest of the crew. Now, stranded in the Canadian wilderness and on the brink of death, Aubrey is rescued by a handsome stranger whose cold disposition is as frightening as the remote cabin in which he lives. With no way to reach civilization before spring, Aubrey becomes Jack Gordon ' s unwanted roommate. Her hope for rescue is much more desperate when she sees his hostile attitude and violent behavior. Aubrey and Jack wait out the winter, they grow closer—their delicate friendship blooming into feelings neither of them could have anticipated. But the weather and the wolves aren ' t the only dangers in the mountains. As Aubrey uncovers the reason for Jack ' s self-imposed isolation, she realizes she ' s closer to the story than she imagined—a story that might cost her life.

Alexandra Avellino has just found her father's mutilated body, and needs the police right away. She believes her sister killed him, and that she is still in the house with a knife. Sofia Avellino has just found her father's mutilated body and needs the police right away. She believes her sister, Alexandra did it, and that she is still in the house, locked in the bathroom. Both women are to go on trial at the same time. A joint trial in front of one jury. But one of these women is lying. One of them is a murderer. Sitting in a jail cell, about to go on trial with her sister for murder, you might think that this is the last place she expected to be. You'd be wrong.
