Diplomatic Law: Commentary on the
Vienna Convention on ...
Abstract. Diplomatic Law was first published
in 1976. The book places each provision of
the Convention in its historical context;
provides commentary on the application of
the Convention by the UK, the US, and
other States; and thoroughly examines
topical problems in the field including the
abuse of diplomatic immunity and terrorist
violence.

[PDF] Diplomatic Law: Commentary on
the Vienna Convention...

Diplomatic law is that area of international law that governs permanent and temporary diplomatic missions. A fundamental concept of diplomatic law is that of diplomatic immunity, which derives from state immunity. Key elements of diplomatic law are the immunity of diplomatic staff, the inviolability of the diplomatic mission and its grounds, and the security of diplomatic correspondence and diplomatic bags.

Famous cases involving the breaking of diplomatic laws includes the Iran hostage crisis i

Diplomatic Relations Oxford Commentaries On

The 1961 Vienna Convention on Diplomatic Relations has for over 50 years been central to diplomacy and applied to all forms of relations among sovereign States. Participation is almost universal. The rules giving special protection to ambassadors are the oldest established in international law and the Convention is respected almost everywhere. But understanding it as a living instrument requires knowledge of its background in customary international law, of the negotiating history which clarifies many of its terms and the subsequent practice of states and decisions of national courts which have resolved other ambiguities. Diplomatic Law provides this in-depth Commentary. The book is an essential guide to changing methods of

Online Library Diplomatic Law Commentary On The

modern diplomacy and shows how challenges to its regime of special protection for embassies and diplomats have been met and resolved. It is used by ministries of foreign affairs and cited by domestic courts world-wide. The book analyzes the reasons for the widespread observance of the Convention rules and why in the special case of communications - where there is flagrant violation of their special status - these reasons do not apply. It describes how abuse has been controlled and how the immunities in the Convention have survived onslaught by those claiming that they should give way to conflicting entitlements to access to justice and the desire to punish violators of human rights. It describes how the duty of diplomats not to interfere in the internal affairs of the host State is being narrowed in the face of the communal international responsibility to monitor and uphold human rights.

Online Library Diplomatic Law Commentary On The

First published in 1961, *Consular Law and Practice* is a classic work of enormous interest and practical use to diplomats, consuls, and international lawyers. The second edition of this work is now thoroughly revised and updated, and covers the historical evolution of the subject, the Vienna Convention, general laws of consular relations, the traditional and changing role of consuls, diplomatic privileges and immunities, and the function of consuls as ambassadors in cultural and scientific exchange.

The Vienna Convention on Diplomatic Relations of 1961 (VCDR) is the cornerstone of the relationship between sovereign states. It outlines the principles of diplomatic law and codifies the rules for the exchange and treatment of diplomats as well as their staff. In the meantime about 190 states have ratified the Convention. The

Online Library Diplomatic Law Commentary On The

VCDR consists of 53 articles, defining, for instance, the diplomatic mission, the agreement, the declaration of a diplomat to be persona non grata, the privileges of diplomats in person, of their families and their premises, the freedom to gather information and to communicate etc. This Commentary covers the VCDR article-by-article, giving a historical overview, followed by a concise commentary of the relevant law and its implementation in the diplomatic and consular practice taking into consideration the wording of the Convention as well as its practical implementation on the basis of harsh political reality.

of substantive international criminal law through key illustrative cases from domestic and international jurisdictions. Presents concise and stimulating commentaries by the leading academics in the field.

Marcelo Kohen and Patrick Dumberry explore in an article-by-article commentary the Resolution adopted in 2015 by the Institute of International Law, on state succession in matters of state responsibility. They analyse the content and scope of application of each provision based on a comprehensive survey of existing state practice and judicial decisions (both domestic and international), as well as taking into account the works of scholars and that of the ILC Special Rapporteur in his proposed Draft Articles on the same topic. This book explains the rationale and the reasons behind why the Institute adopted specific solutions to address particular

problems of succession to responsibility for each provision, including the need to achieve a fair outcome given the specific circumstances and relevant factors for each case.

This Manual provides the most up-to-date restatement of existing international law applicable to the conduct of air and missile warfare.

The Commentary on the Vienna Convention on the Law of Treaties provides an in-depth article-by-article analysis of all of the Vienna Convention ' s provisions. Each provision ' s analysis consists of (I) Purpose and Function of the Article, (II) Historical Background with Negotiating History, (III) Elements of the Article and finally (IV) Treaties of International Organizations. In short, the present Commentary contains a comprehensive

Online Library Diplomatic Law Commentary On The

legal analysis of all aspects of the international law of treaties. Furthermore, where the law of treaties reaches into other fields of international law, e.g. the law of state responsibility, the relevant interfaces are discussed and contextualized. With its focus on international practice, the Commentary is an invaluable reference for both academia and practitioners of international law.
