This chronology, like others in the series, presents the story of Dr Johnson's life in a readily accessible format to provide scholar and general reader alike with a quick guide to dates, people and places together with supplementary indexes.

The jews-harp is a distinctive musical instrument of international importance, yet it remains one of those musical instruments, like the ocarina, kazoo or even the art of whistling, that travels beneath the established musical radar. The story of the jews-harp is also part of our musical culture, though it has attracted relatively little academic study. Britain and Ireland played a significant role in the instrument ' s manufacture and world distribution, particularly during the nineteenth and first half of

the twentieth centuries. Drawing upon previously unknown written sources and piecing together thousands of fragments of information spanning hundreds of years, Michael Wright tells the story of the jews-harp ' s long history in the Britain and Ireland. Beginning with an introductory chapter describing the instrument, Part One looks at the various theories of its ancient origin, how it came to be in Europe, terminology, and its English name. Part Two explores its commercial exploitation and the importance of the export market in the development of manufacturing. Part Three looks the instrument ' s appearance and use in art, literature and the media, finally considering the many players who have used the instrument throughout its long history.

Born on the Isle of Mull to an impoverished lair of the clan Maclean, young Allan fought his first battle — for Bonnie Prince Charlie at Culloden — from a sense of deep conviction and family loyalty. He fled into exile when the Stuart cause was lost. In Holland he became a mercenary, and after amnesty was granted for Jacobites, he joined the British army serving in North America during the Seven Years ' War, and again during the American Revolution. He was at Quebec on New Year ' s Eve 1775 when the city was attacked by Benedict Arnold, and shortly thereafter become the military governor of Montreal. Between the two wars, when the army was reduced and he was on half-pay, Maclean was preoccupied with finding ways to meet the expenses he incurred while on active service. He made himself useful to politicians and office-holders who had access to public funds or who could recommend him for

promotions. One who helped him was Lauchlin Macleane, an ambitious politician who was probably the notorious Junius, who wrote vicious letters to newspapers attacking the government, but was never unmasked. This fast-paced and intriguing book gives a penetrating insight into the challenges facing a man who chose a military career during the tumultuous period of the eighteenth century.

Bestselling and award-winning writer D. R. MacDonald gives us a searing and muscular collection of short fiction reminiscent of Richard Ford and Alistair MacLeod. With *All the Men Are Sleeping*, celebrated author D. R. MacDonald delivers a haunting collection of short fiction remarkable for its restrained passion and eloquence. As he did with *Cape Breton Road*, MacDonald writes of disruption and loss with brusque tenderness. He deftly explores the misunderstandings between men and women, the nature of seduction and infidelity, the way geography shapes identity, and the heartache of longing -- for home, family, love. For a fisherman in "The Flowers for Bermuda" time has not repaid the loss of his young son's life. In "The Wharf King" a man returns to Cape Breton to bury his brother, and performs a dangerous rite of passage in an attempt to recapture the past. Little Norman in "Work" is rudderless without the companionship of his lifelong workmate. The brilliant force of the fiction collected here -- some of it published in MacDonald's award-winning *Eyestone* -- will delight MacDonald's fans just as it will astonish new

readers. Each of the stories in *All the Men Are Sleeping* stands alone, but together they offer a heartrending elegy for lost loves and time-forgotten places.

Barry Shears is a native of Glace Bay, Cape Breton, Nova Scotia, and an acknowledged expert on the history of traditional piping in Nova Scotia and its intrinsic connection to the Gaelic language, music and culture. An award-winning musician, Barry has performed at concerts and festivals throughout North America, as well as in Scotland and Europe. He has previously published several books of bagpipe music and history.

NEW YORK TIMES BESTSELLER • SOON TO BE A NETFLIX FILM STARRING COLIN FIRTH • The “brilliant and almost absurdly entertaining” (Malcolm Gladwell, *The New Yorker*) true story of the most successful—and certainly the strangest—deception carried out in World War II, from the acclaimed author of *The Spy and the Traitor* “Pure catnip to fans of World War II thrillers and a lot of fun for everyone else.” —Joseph Kanon, *The Washington Post Book World* Near the end of World War II, two British naval officers came up with a brilliant and slightly mad scheme to mislead the Nazi armies about where the Allies would attack southern Europe. To carry out the plan, they would have to rely on the most unlikely of secret agents: a dead man. Ben Macintyre’s dazzling, critically acclaimed bestseller

chronicles the extraordinary story of what happened after British officials planted this dead body—outfitted in a British military uniform with a briefcase containing false intelligence documents—in Nazi territory, and how this secret mission fooled Hitler into changing military positioning, paving the way for the Allies ' drive to victory. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES

This book, with accompanying video, is the second and final volume in the Glengarry Collection of Aonghas Grant's Highland fiddle repertoire. The book contains 188 additional slow airs, marches, strathspeys, reels, jigs and hornpipes. Accompanying stories, history and photographs provide additional background to the tunes. This collection focuses on the core of Grant's music - Highland fiddling, and its connections to pipe tunes and Gaelic songs. Some of these tunes have never been published before, while others are only available in out-of-print books and pipe settings. The collection also includes a number of tunes composed by Grant, and ones composed in his honor. The tunes are fully chorded in a style representative of Grant's band experience. Transcriptions of his bowings, grace notes and stories provide insight into his playing style. Accompanying photos richly illustrate Grant's music, including images of musicians, family, and scenes from his various careers. The accompanying video download available online includes recordings of Grant's impromptu and passionate performances, featuring 81 selections
