What do thousands of kids, makers, poets, artists, steampunks, hipsters, activists, and musicians have in common? They love typewriters—the magical, mechanical contraptions that are enjoying a surprising second life in the 21st century, striking a blow for self-reliance, privacy, and coherence against dependency, surveillance, and disintegration. *The Typewriter Revolution* documents the movement and provides practical advice on how to choose a typewriter, how to care for it, and what to do with it—from National Novel Writing Month to letter-writing socials, from type-ins to typewritten blogs, from custom-painted typewriters to typewriter tattoos. It celebrates the unique quality of everything typewriter, fully-illustrated with vintage photographs, postcards, manuals, and more.

Adopted children who have experienced loss, abuse or neglect need additional support for their emotional development, and are more likely to have special educational needs. This useful resource provides a complete plan for creating adoption-friendly environments in primary, secondary and specialist schools. The book is grounded on new research which gathered together testimonies from over 400 school staff members, adoptive parents and adoption specialists. With realistic consideration of pressures and limitations currently faced by schools, it gives advice on eight key areas for school development, including communicating with parents, training staff, using resources wisely and recognising children's individual needs.

"This is the first comprehensive book on exchange-traded funds. The author displays an institutional and practical knowledge of exchange-traded funds that makes this book necessary reading for not only the knowledgeable investor but for the professional researcher seeking to understand these relatively new investment vehicles." -Martin J. Gruber, Nomura Professor of Finance Stern School of Business, New York University "Gary Gastineau is a national treasure. Exchange-traded funds are the wave of the future, and Gary has been instrumental in their development from day one. His knowledge is encyclopedic, and his style and subtle humor make it all accessible to the reader." -Wayne H. Wagner, Chairman, Plexus Group, Inc. "In Gary Gastineau's brilliant work in
