**Downsizers Club: Paper!****Juvie Steve Watkins**

The book juvie by steve watkins, is About a young girl in high school who is going to juvie. Sadie the mains character was arrested for drug dealing even though the cops set her up for it. In the beginning of the story the book starts off interesting but has some parts that get boring. I would recommend this book to people like drama.

Juvie Steve Watkins Review by Diane Colson, November 07, 2013 First of all, 17-year-old Sadie didn't even want to go to that party with her older sister, Carla. She knew from past experiences that Carla, notorious for her reckless behavior, was oblivious to responsibility. And, sure enough, as soon as the sisters arrive at the party, Carla is ...

Working hard to be a contributing member of her family, Sadie accepts blame for her sister's drug deal to keep the latter out of prison and finds everything she worked for threatened by a six-month sentence that tests her sister's character

**Juvie, Steve Watkins**

I'm a fan of Steve Watkins. His writing style brings the story alive. I was unable to put Juvie down until I read the final word. The war on drugs is a necessary war, but instead of targeting and punishing the people who are truly at fault, it's more likely the poor, young people like Sadie who are going to jail.
