Jakarta adalah potret kehidupan puspawarna. Di sana tersimpan mimpi-mimpi, ambisi, dan harapan. Di sana terukir kisah-kisah kegetiran dan kebahagiaan anak manusia, yang terkadang penuh ironi satire, aneh, dan menggelikan. Lewat Lagak Jakarta, Benny dan Mice melaporkan semua itu sebagai sociological report yang cerdas.

Cartoon.

Dua proklamator kemerdekaan Indonesia, Sukarno dan Mohammad Hatta, memiliki sebutan lain untuk resensi buku. Sukarno menyebut "tilikan" atau mengamati dan memeriksa secara sungguh-sungguh suatu buku. Praktik menilik itu memang terasa saat membaca resensi-resensi buku yang dihasilkan Sukarno. Sementara, Hatta menyebut praktik meresensi buku dengan "kupasan" atau menganalisis, mengulas, dan mengurai. Memang, dua nama itu, Sukarno dan Hatta, adalah juga peresensi/penilik/pengupas buku. Keduanya adalah dua dari puluhan nama yang disebut dalam buku ini yang menjadikan bacaan sebagai kancah berdialog dan berdialektika dengan cakrawala

dunia lewat praktik meresensi. Buku ini, oleh karena itu, menjadi bagian tidak terpisahkan dalam praktik membaca dan menuliskan apresiasi atas apa yang sudah dibaca. Di satu sisi, buku ini menjadi panduan bagaimana menulis sebuah resensi atas buku yang dibaca. Namun, di sisi lain, buku ini memperlihatkan bagaimana bersiasat dalam membaca buku dengan tidak terpisahkan dari praktik masa silam. Rekaman atas resensi-resensi dari publikasi masa silam membuat buku panduan ini menjadi berenergi dan menggugah.

In this book I have aimed at completeness in the sense that all publications known to me, which are wholly or partly devoted to Malay and Bahasa Indonesia (B.I.), or are important for the study of these languages, have been included. Popular publications in non-professional periodicals have been included only exceptionally. All the publications mentioned in the text are incorporated in the Bibliography (p. 91-157). The countless articles in four post-war, semi-professional periodicals in Malaya and Indonesia, Dewan Bahasa, Pembina Bahasa Indonesia, Medan Bahasa, Bahasa dan Budaya, are not mentioned separately in the Bibliography, but sections 33 to 36 contain a survey, as complete and systematic as possible, of the contents of these periodicals in so far as they pertain to the Malay language; nor have I discussed in the text or incorporated in the Bibliography several hundreds of titles of practical textbooks or school-books of Malay or B.I. which are of no importance to the scientific study of these language. These titles have been entered in a separate Appendix (p. 158--171). The fact that completeness was aimed at certainly does not mean that it has been achieved. Especially various recent writings from Indonesia and Malaya may have escaped my attention. Experience has also proved that publications on Malay sometimes appear in the most unexpected places. The qualification above: "publications ... devoted to ... , or important for the study of" Malay and B.I. has been taken in a wide sense.

If you have ever looked for P-values by shopping at P mart, tried to watch the Bernoulli Trails on "People's Court," or think that the standard deviation is a criminal offense in six states, then you need The Cartoon Guide to Statistics to put you on the road to statistical literacy. The Cartoon Guide to Statistics covers all the central ideas of modern statistics: the summary and display of data, probability in gambling and medicine, random variables, Bernoulli Trails, the Central Limit Theorem, hypothesis testing, confidence interval estimation, and much more—all explained in simple, clear, and yes, funny illustrations. Never again will you order the Poisson Distribution in a French restaurant!

From the bestselling author of Crazy Rich Asians (the basis for the acclaimed major motion picture) comes a deliciously fun story of family, fortune, and fame in Mainland China. Book Two of the Crazy Rich Asians Trilogy It's the eve of Rachel Chu's wedding, and she should be over the moon. She has a flawless Asscher-cut diamond, a wedding dress she loves, and a fiancé willing to thwart his meddling relatives and give up one of the biggest fortunes in Asia in order to marry her. Still, Rachel mourns the fact that her birthfather, a man she never knew, won't be there to walk her down the aisle. Then a chance accident reveals his identity. Suddenly, Rachel is drawn into a dizzying world of Shanghai splendor, a world where people attend church in a penthouse, where exotic cars race down the boulevard, and where people aren't just crazy rich ... they're China rich. Look for Kevin Kwan's latest novel, Sex & Vanity!

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match-both on and off the page-but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

Perkins, a former chief economist at a Boston strategic-consulting firm, confesses he was an "economic hit man" for 10 years, helping U.S. intelligence agencies and multinationals cajole and blackmail foreign leaders into serving U.S. foreign policy and awarding lucrative contracts to American business.
