Get Free Map Skills Workbooks

Founded by two teachers more than 40 years ago, Carson Dellosa believes that education is everywhere and is passionate about making products that inspire life's learning moments.

From treasure maps to state maps, this fun and colorful map skills primer covers symbols, cardinal directions, the globe-map connection, and more.

Contains activities for primary children who are learning basic map skills.

Teaches students how to use maps as tools.

Practice math, reading, and critical thinking skills with activities on using a compass, making map keys and grids, and understanding political maps.

In this rapidly changing global world, people are challenged everyday to be culturally literate. More than ever, map-reading skills are a necessity for the informed student. This book contains the tools needed to teach your third-and fourth-graders to read and use a variety of maps and map features. Each topic presented includes a teacher page filled with background information, teaching suggestions, and ideas for related activities. Also included for each topic are several students pages that provide challenging practice with map skills of all kinds - map legends, scale, latitude and longitude lines, thematic maps, and so on. A glossary and answer key complete this valuable resource book.

Maps can show you where you are anywhere in the world! A beloved bestseller that helps children discover their place on the planet, now refreshed with new art from Qin Leng. Where are you?

Get Free Map Skills Workbooks

Where is your room? Where is your home? Where is your town?

This playful introduction to maps shows children how easy it is to find where they live and how they fit in to the larger world. Filled with fun and adorable new illustrations by Qin Leng, this repackaging of *Me on the Map* will show readers how easy it is to find the places they know and love with help from a map.

60 fun and engaging reproducibles that teach key map skills and invite kids to learn about urban, suburban, and rural communities.

A comprehensive resource that includes the basics of reading maps along with using a compass, reading latitude and longitude, drawing map symbols, using time zone maps and much more.
