Designed as a handbook, the book is filled with sage advice and insights from a variety of trusted experts that can help nonprofit professionals prepare to achieve their organizational and personal goals, develop a better understanding of what they need to do to lead, support, and grow an effective organization. Addresses a wealth of topics including fundraising, Managing Technology, Marketing, Finances, Advocacy, Working with Boards Contributors are noted nonprofit experts who define the core capabilities needed to manage a successful nonprofit Author is the former Executive Director of Craigslist Foundation This important resource offers professionals key insights that will have a direct impact on improving their daily work.

What every not-for-profit must know about accounting, tax, and reporting requirements In the challenging world of not-for-profit management, executives are held responsible for virtually every aspect of their organization's activities, such as legal issues, marketing, lobbying, editorial, membership operations, budgeting, and, of course, finance. For one person to be an authority in every area, however, is virtually impossible. Completely revised and expanded, the Fourth Edition of this invaluable tool is useful as a guide to nonprofit accountants, financial managers, and executives new to the area of financial management. Addressing the accounting, internal control, and office administration issues that confront executives in nonprofit organizations, this book: \* Helps professionals develop formal policies in accounting and finance \* Shows how to strengthen an organization's financial procedures while assuring board members that they are meeting fiduciary responsibilities \* Provides more than 200 sample policies and forms both in the book and on the accompanying Web site offering downloadable and customizable versions of those forms \* Covers major topics including accounting and financial policies, office administration policies, and internal control and risk reduction policies \* Contains dozens of new model accounting and financial policies and forms, covering Sarbanes-Oxley issues, codes of ethics, identity theft, fraud, binding arbitrations, compensation committees, new bank rules, fiduciary obligations of board members, and many more topics Model Policies and Procedures for Not-for-Profit Organizations, Fourth Edition offers provocative strategies for financial management and serves as a road map to sound fiscal and organizational structure for nonprofit organizations.

The go-to nonprofit handbook, updated and expanded for today's leader The *Jossey-Bass Handbook of Nonprofit Leadership and Management* is the bestselling professional reference and leading text on the functions, processes, and strategies that are integral to the effective leadership and management of nonprofit and nongovernmental organizations. Now in its fourth edition, this handbook presents the most current research, theory, and practice in the field of nonprofit leadership and management. This practical, relevant guide is invaluable to the effective practice of nonprofit leadership and management, with expanded attention to accountability, transparency, and organizational effectiveness. It also extensively covers the practice of social entrepreneurship, presented via an integrative perspective that helps the reader make practical sense of how to bring it all together. Nonprofit organizations present unique opportunities and challenges for meeting the needs of societies and their communities, yet nonprofit management is more complex and challenging than ever. This Handbook provides a framework to help you lead and manage efficiently and effectively in this new environment. Building on solid current scholarship, the handbook provides candid, practical guidance from nationally-recognized leaders who share their insights on: The relationship between board performance and organizational effectiveness Managing internal and external stakeholder relationships Financial viability and sustainability and how to enhance both for the long term Strategies to successfully attract, retain, and mobilize the very best of staff and volunteers The fourth edition of the handbook also includes content relevant to associations and membership organizations. The content of the handbook is supplemented and enriched by an extensive set of online supplements and tools, including reading lists, web references, checklists, PowerPoint slides, discussion guides, and sample exams. Running your nonprofit or nongovernmental organization effectively in today's complex and challenging environment demands more knowledge and skill than ever, deployed in a thoughtful and pragmatic way. Grounded in the most useful modern scholarship and theory, and explained from the perspective of effective practice, *The Jossey-Bass Handbook of Nonprofit Leadership and Management* is a pivotal resource for successful nonprofit leaders in these turbulent times.

This is the Third Edition of the bestselling nonprofit management reference and text called the "big green book." Based on updated research, theory, and experience, this comprehensive edition offers practical advice on managing nonprofit organizations and addresses key aspects such as board development, strategic planning, lobbying, marketing, fundraising, volunteer management, financial management, risk management, and compensation and benefits. New chapters cover developments in such areas as social entrepreneurship, financial leadership and capital structure, accountability and transparency, and the changing political-legal climate. It includes an instructor's manual
