An online children's book library, where kids discover and read stories on desktop and laptop computers for free. It's also a self-publishing & marketing tool for authors & publishers. An online children's book library, where kids discover and read stories on a computer or tablet for free.

Picked by the Guardian as one of '15 Modern Classics' books This double-sided foldout book takes you on a fascinating journey deep underground. One side of the foldout shows the ground beneath the city, whilst the reverse side shows the ground beneath the countryside. The underground scenes include tunnels and pipes, creatures' burrows, layers of rock and the planet's molten core, and run seamlessly into the next. Mixing urban and rural settings, covering subjects such as geology, archaeology and natural history, The Street Beneath My Feetoffers children the opportunity to explore their world through a detailed learning experience. This expansive concertina book opens out to an impressive 2.5 metres long, perfect for spreading out on the floor to pore over for hours.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama “guides us straight to the intersection of the most serious questions of identity, class, and race” (The Washington Post Book World). “Quite extraordinary.”—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother’s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father’s life, and at last reconciles his divided inheritance. Praise for Dreams from My Father “Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride’s The Color of Water and Gregory Howard Williams’s Life on the Color Line as a tale of living astride America’s racial categories.”—Scott Turow “Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither.”—The New York Times Book Review “Obama’s writing is incisive yet forgiving. This is a book worth savoring.”—Alex Kotlowitz, author of There Are No Children Here “One of the most powerful books of self-discovery I’ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel.”—Charlayne Hunter-Gault, author of In My Place “Dreams from My Father is an exquisite, sensitive study of this wonderful young author’s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white.”—Marian Wright Edelman

This powerful collection of favorite movie moments is readers' gateway to the most empowering witches of our age!

#1 NEW YORK TIMES BESTSELLER • OPRAH’S BOOK CLUB PICK The heartrending story of a midcentury American family with twelve children, six of them diagnosed with schizophrenia, that became science's great hope in the quest to understand the disease. "Reads like a medical detective journey and sheds light on a topic so many of us face: mental illness." —Oprah Winfrey Don and Mimi Galvin seemed to be living the American dream. After World War II, Don’s work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins—aspiration, hard work, upward mobility, domestic harmony--and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after another, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic mother to the search for genetic markers for the disease, always amid profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family’s unforgettable legacy of suffering, love, and hope.

John Adams and Thomas Jefferson were good friends with very different personalities. But their differing views on how to run the newly created United States turned them into the worst of friends. They each became leaders of opposing political parties, and their rivalry followed them to the White House. Full of both history and humor, this is the story of two of America's most well-known presidents and how they learned to put their political differences aside for the sake of friendship.

The monumental bestseller Quiet has been recast in a new edition that empowers introverted kids and teens Susan Cain sparked a worldwide conversation when she published Quiet: The Power of Introverts in a World That Can’t Stop Talking. With her inspiring book, she permanently changed the way we see introverts and the way introverts see themselves. The original book focused on the workplace, and Susan realized that a version for and about kids was also badly needed. This book is all about kids' world—school, extracurriculars, family life, and friendship. You'll read about actual kids who have tackled the challenges of not being extroverted and who have made a mark in their own quiet way. You'll hear Susan Cain’s own story, and you’ll be able to make use of the tips at the end of each chapter. There’s even a guide at the end of the book for parents and teachers. This insightful, accessible, and empowering book, illustrated with amusing comic-style art, will be eye-opening to extroverts and introverts alike.

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

Wildlife expert and Emmy Award-winning Coyote Peterson brings his 12.5 million YouTube subscribers and legions of kid fans a full-color exploration of his "Sting Zone" adventure series, featuring shots from the episodes and culminating in his thrilling encounter with the "King of Sting"--the Executioner Wasp. Coyote Peterson, YouTube star, animal enthusiast, and creator of the Brave Adventure series, has tracked down some of the world's most painfully stinging insects and chronicled getting stung by each of them on his YouTube channel. Coyote has saved the best--or possibly the worst--for last, and he's finally ready to share his experience with the most painful sting in the world: the Executioner Wasp. Featuring full-color stills from his show, and packed with facts about nature's most misunderstood creatures, King of Sting is a dream book for any kid that loves animals, bugs, outdoor exploration, and danger!

Siblings Maddie and Atticus love living by the sea. Their dad traps lobsters off the coast of Maine. They love helping with the family business and volunteering at the local aquarium. The summer is shaping up to be a super one, for sure. Then one day they spy a pod of dolphins in the cove looking distressed. How will the kids use their knowledge of animals and their awesome problem-solving skills to help the dolphin family get safely back to sea? Perfect for reluctant, challenged, and newly fluent readers, the Animal Planet Adventures chapter book series combines fun animal mysteries with cool nonfiction sidebars that relate directly to the stories, bringing the best of the animal world to young readers. With full-color illustrations and photographs throughout. Collect all of the Animal Planet Adventures, including Luke and Sarah's story Farm Friends Escape!.
