Orientation: And Other Stories is a
collection of short stories by Daniel Orozco,
published in 2011. Including nine stories,

Download Ebook Orientation And Other Stories Daniel Orozco

the collection has a loose theme of work and office-related subject matter that Orozco mines for insight into the human condition. The first story, "Orientation," takes the form of a new hire's tour of an office, beginning with the simple declaration that "those are the offices and these are the cubicles."

Daniel Orozco's *Orientation: And Other Stories* was published in 2011 by Faber & Faber. The collection's titular story places the reader in the shoes of a new, unnamed employee on their first day in the office. As the employee is given a tour and the do's and don'ts of the position (pace your work to fill an eight hour day; never answer the telephone, our guide says), the reader quickly realizes that this workplace is unusual.

~~The Masters Review | Interview: Daniel Orozco~~
An impressive collection that displays the

Download Ebook Orientation And Other Stories Daniel Orozco

author's considerable talent because the stories are so diverse - both in their premises and in their technique, ranging from extended narrations (in "Orientation") to police reports ("Officers Weep") to a sweeping bird's eye view that pans over and across all the lives of the people affected by an earthquake ("Shakers").
