"Perfect Escape" by Jennifer Brown is another fantastic read. I'm starting to believe that woman can't do anything wrong when it comes to writing. Just as with her other books, she isn't scared to pick up a difficult topic in this book and doesn't shy away of showing flawed characters, people who make mistakes and who aren't always good.

Review: Perfect Escape by Jennifer Brown  
JENNIFER BROWN What inspired you to write this book? The idea for Perfect Escape came to me, as story ideas so often do, pretty much out of nowhere. One day the first sentence!! I was six the first time we found Grayson at the quarry!! popped into my head, and I envisioned this little boy hunkered down against a pile of rocks, miserable.
