Hence the pragmatic deal-making in Africa that "betrayed" the African Dream. Congo was a precursor - then unforeseeable - to the fate of the cold war itself. This also raises the question of Cuba's focus on African liberation. Che's adventure in 1965 was the precursor to an intensive intervention in Africa, most spectacularly in Angola (as ...

A new UNHCR project, The Dream Diaries, visualizes the dreams of children who have fled their homes and found a better life in Europe. Four young 'online creators' have travelled over 7,000 kilometres across Europe to meet a dozen refugee and asylum-seeking children as part of a new project, in association with UNHCR, the UN Refugee Agency, that lets the youngsters' imagination run free.
