In these acclaimed novellas, Michel Faber takes on the interior world of inventively crafted characters. "The Courage Consort" tells of an a capella vocal ensemble sequestered in a Belgian chateau to rehearse a monstrously complicated new piece. But competing artistic temperaments and sexual needs create as much discordance as the avant-garde music.

In The Courage Consort, Michel Faber's latest literary offering, readers are drawn into three very different worlds with one prevailing theme: the abject loneliness that often marks the human condition. With these novellas, Faber shows a particular gift for exposing the raw emotions so uncomfortably familiar to us all.

Michel Faber is an author who manages to keep the readers wanting for more. I can say that he is one of those “strange” authors. The Courage Consort tells the story of a vocal group consisting of five people, who settled in a castle far away from the city to rehearse. If you have a castle and a forest nearby, you cannot escape gothic literature.
