From the hearth to the altar, make magic in every moment. Being a Witch isn't limited to casting a spell under the full moon or consecrating a ritual circle. Whether you're calling the Goddess or doing the dishes, your wonderfully witchy ways are woven into everything you do. With her signature down-to-earth wisdom and warmth, Deborah Blake takes you into the heart of what it means to be a Witch all day, every day. Filled to the brim with practical suggestions, Pagan and Wicca spells, and helpful advice, this essential book brings to light all facets of a modern Witch's life: The seven core beliefs of Witches, mindful eating and health, creating sacred space at home, relationships with non-Pagans, sex and the single Witch, raising Pagan children, solitary and coven practice, Pagan ritual, and green living. "Deborah Blake has created a practical method of weaving the spiritual into the daily chores of the mundane world in which we must live." -Edain McCoy, author of *Advanced Witchcraft and If You Want to Be a Witch*

You are a creator, lover, priestess, and healer—a multifaceted goddess with confidence, spiritual wisdom, and the power to reinvent yourself. Based on a lifetime of deep spiritual study and her firsthand experiences around the world, Katalin Koda offers an innovative way for you to bring the sacred feminine into your everyday life. *Fire of the Goddess* presents nine goddess archetypes that correspond with every woman's inherent gifts and the most important facets of her life: firebearer, initiate, warrior, healer, consort, bodhisattva, priestess, weaver, and crone. For each archetype, you'll connect with its associated goddess—Pele, Artemis, Quan Yin, Isis, and others—through inspiring exercises, the power of myth, and a sacred ceremony. —Form a women's circle —Call on your ancestors —Find your animal guide —Celebrate your sensuality —Open up to your inner masculine —Practice deep listening Through the exploration of each goddess aspect, you will begin to discover the strength, spirituality, beauty, and authenticity of your sacred and ever-evolving self. "This is a truly wonderful literary experience that connects women to a profound aspect of themselves that is often overlooked by the modern world." -PREDICTION

"This comprehensive text, highly acclaimed as the premier sourcebook on goddesses, introduces students of religion to the various manifestations and complex nature of the goddess. Often a stranger to contemporary devotees of monotheistic religions, the goddess forces the recognition of female power, which can transform deeply held beliefs. The recent renewed interest in goddesses and the rise of feminist scholarship are addressed in this well-chosen collection of essays, written by an international group of scholars. The book elucidates the diverse religious cultures and periods of history in which goddesses have played an important role by providing examples of ancient and modern goddesses in Eastern and Western religious traditions, in major world and tribal religions, and in living religions and those no longer practiced."--BOOK JACKET. A practical guide to working with gemstones and crystals connected to Goddess energy for magick, healing, and transformation • 2020 Coalition of Visionary Resources Gold Award • Explores more than 100 Goddess-centered stones and crystals, including amazonite, amethyst, birthing stones, thundereggs, geodes, Lemurian seed crystals, sakura stone, yeh ming zhu, and carnelian, also known as the blood of Isis • Details each stone's astrological and elemental correspondences, Goddess archetypes, healing properties, magickal uses, and aspects of the Divine Feminine it embodies • Includes instructions for Goddess-centered rituals, guided meditations, and spells • Explains how to create Goddess-centered crystal grids, crystal elixirs, and charm bags Part of *Mother Earth*, crystals and gemstones are intimate pieces of the body of the Goddess, sacred tools that can help us tap into Her energy for healing, magick, and spiritual growth. In this practical guide to working with the stones of the Goddess, Nicholas Pearson explores more than 100 gemstones and crystals strongly connected with the energies of the Divine Feminine, including old favorites like amazonite, amethyst, geodes, and carnelian (also known as the blood of Isis), alongside newer and more unusual stones such as sakura ishi, yeh ming zhu, and Lemurian seed crystals. He details each stone's spiritual and healing properties, astrological and elemental correspondences, Goddess archetypes and lore, magickal uses, and the aspects of the Divine Feminine it embodies. Providing an overview of major Goddesses from around the world, he reveals how Goddess traditions and myths have incorporated stones throughout history. Guiding you through the basics of crystal work, including cleansing and programming, the

author offers step-by-step instructions for Goddess-centered magickal rituals, guided meditations to connect with the Divine Feminine, and the use of crystals for spellcasting. He explains how to create crystal grids, including the Triple Goddess Grid and the Venus Grid; crystal elixirs, such as Aphrodite Elixir and Yemayá Essence; and crystal charm bags for purification, wealth, and a happy home. With the rebirth of the Goddess now happening after millennia of suppression, Pearson shows how, by working with gemstones and crystals, you can help restore the radiant light and limitless magick of the Divine Feminine and move humanity toward collective growth and healing. The stones of the Goddess are here to support us through practical means as well as serve as anchors for the return of the Goddess's presence.

Bestselling spiritual author of *The Soul Searcher's Handbook*, Emma Mildon—the “goddess-messenger-girlfriend who may just lead you to your inner guru” (Katie Silcox, *New York Times* bestselling author)—provides a fascinating, fun, and inspiring exploration of female divinity throughout history, myth, and religion to help women understand, embody, and celebrate their inner goddess. *Evolution of Goddess* is a practical introduction to the goddess realm, digging up the histories of long-forgotten myths of goddesses of love, war, death, the sun, the moon, and more. With this clear-eyed and spirited book, you can finally become familiarized with goddesses from a wide range of cultures throughout history, including the mermaids of the Atlantic, the empresses of ancient Egypt, the wise women of the Middle Ages, right up to the modern-day goddesses who walk amongst us today as humble light workers, educating and inspiring. Through a goddess assessment, you'll uncover your own goddess archetype and be given rituals, meditations, and exercises to tap and embolden your own feminine superpowers. Imbue your life with healing, invigorating goddess energy, and discover ways to harness your new empowerment to improve the world. Now is the time to reconnect with the strength and holistic spirituality of our ancestors—to trace the evolution of the Goddess.
