~~Owner's Manual - Total Gym~~
Like all of these systems the Elite requires little assembly or maintenance. Total Gym Elite claims to combine strength training, Cardiovascular conditioning, and flexibility in 20 minutes a day. The measurements are 51 inches long by 15 inches wide by 10 inches high when folded.

~~Total Gym - Total Gym Elite~~
Since the Total Gym Elite and other models are no longer available, and you do want to go with one of these machines, we recommend that you skip the base unit and go with one of the higher end models. Why? Because a home gym is something you have for many years, so you want something that is high quality and that offers you a full body workout. The better models such as the XLS can accommodate ...
